Summer showed up!!

Well, the summer heat finally showed up! After a relatively nice summer break, August brought the heat! As temperatures continue to climb please keep an eye on your horse and make sure he or she is staying cool... If you are in the barn, you can put up a fan to help circulate the air flow. If you have an outside horse, you may want to clear out the water in their bowls when you see them, this will help keep the water cooler; some horses won't drink if the water is too warm for them...

The Santana Riders show in August was a great one! It was attended by me, Sophie, Larissa, Donna, and Steffe. It was hot again, but all the horses and riders performed beautifully and pretty much stole the show! I even managed a blue ribbon with Steffe's horse Winning Bet (you may know him as Buddy) in the Equitation Open class! This was his first show and Steffe was a very proud mama ☺

The dressage clinic with Elizabeth Johnson was also a great success! Thank you to all those who participated in it... It was a warm one, but Elizabeth said we all did great jobs, and that I had a "wonderful group of troopers!" I am thinking that we should have this be a regular thing at ECEC, and are planning another go at it in October!

We have a few horse shows coming up that are out of town this month. Sophie and I will be traveling to Tucson the second week of

September to participate in the Silver Buckle Duel in Tucson, Arizona. Then, the Arabians will be going up to Temecula for the Rancho California show September 20. So, far as the schedule goes, we won't be holding lessons between September 9 and 13, but that should be about it.

If you do have a lesson scheduled and it's hot, please call or text me ahead of time to make sure we're on. DETC won't usually hold lessons over 90 degrees...

If you have any questions or concerns, ideas or suggestions, feel free to let me know! Again, thank you all for your continued support of the Darcy Edwards Training Center!
